p7of(j) In their order cited the Government sanctioned the retention of the additional lower division clerk for bonus work in the office of the Dt.Supply Office, S.Kanara, for a period of two months from the date of expiry of the previous sanction. The previous sanction having expired on 20-12-48, the further sanction accorded lasts only till 20-2-49. The necessity for the employment of the clerk was fully explained in this office Ref.C.No.17448-48-P5 dated 25-8-48. The circumstances have not changed since then. There are still 606 items of objections from the Accountant General, Madras, which remain to be attended to. Further objections are pouring in even now. The replies from the subordinate officers have to be closely watched and carefully scrutinized before they can be forwarded to the Accountant General. Besides, the accounts maintained by the several disbursing officers have to be checked and a certificate given by the Dt.Supply Officer to the effect that all the moneys drawn from the treasury have been properly accounted for. This entails voluminous work as the entries in all the disbursement registers have to be checked, thoroughly and the accounts involving huge sums of Govt. money, reconciled, before the certificate can be given. There is also no additional staff sanctioned for bonus work in the civil supplies section of this office. Under these circumstances, the retention of the clerk till 31-3-49 is absolutely necessary. I request that early sanction may kindly be obtained and communicated to me.

2 In view of the importance and the urgency of the work, I may be permitted to retain the clerk in anticipation of sanction as a special case.
